Contours 2.5m
Mapped 2006

F.L.O.R.I.D.A.

ABOUT THIS MAP
This map has been produced through the generous cooperation of the Seminole County Natural Lands Department, the Florida Department of Natural Resources, and through the generous sponsorship of Team Century Orienteering and the Seminole County Nature Library Program.
Adjacent areas are private property. Permission of the property owner is required for access. Please respect the rights of land owners.
This orienteering map has been produced for the enjoyment of casual hikers, hardscore orienteers, and mountain bikers as well as Orienteering.
Note: The Orienteering map is shown in subject to the same disclaimer as the Recreation map. The same disclaimer also applies to the other maps shown on this website which can be accessed through the website www.floridaoienteering.org

WHAT IS ORIENTEERING?
Orienteering is a recreational activity and competitive sport of finding your way across varying and complex terrain using a map and a compass. The sport is a combination of physical fitness, navigation, and problem solving. Orienteering is a team sport and is also a great way to spend time with family and friends. Orienteering is a sport that can be enjoyed by people of all ages. Orienteering is a sport that can be enjoyed by people of all ages. Orienteering is a sport that can be enjoyed by people of all ages.
